Letter № 2063 d/ 25th August 1877 from the Director of Public Instruction

---

The Director of Public Instruction submits for orders an application, contained in the correspondence noted in the margin, from the Rev J Hodson of the Wesleyan Mission, for the transfer of the grant-in aid of Rs 80 a month given to the Wesleyan Mission English Girls' School in the Cantonment since April 1867, to the Orphanage for Native Girls on the Mission premises, Fort Road, and its addition to the grant-in aid of

Letter d/ 14 Sept 1877 to the Director d/ 21st ditto

2

Rs 20 a month, given to
the latter from 1st April last,
under CCs Pro No 3004/2d 4 of
23rd June 1877 The object
of the above proposal is
to receive 75 additional
Girls in the Orphanage,
in order, as Mr Hodson states,
'to meet the wishes and
the cooperation of Government
as to Famine children

2 The Director observes
that there is no information
in his office regarding any
orders issued on this subject,
and he is therefore unable
to prop. how far the
proposal accords with
the measures projected
by Government

The Revd Mr Hodson
probably refers to the
avowed wish of Govt
to support destitute
children, and not to
any particular order
on the subject
I am not aware
of any enlargement
with of Govt

3rd It appears from the Rev Mr Hodson's letter to the Director dated the 21st Aug: 1/77 that the Mission do not intend to give up the English Girls School, the grant-in aid for which is proposed to be relinquished in favour of the Orphanage The data on which the amount applied for is based are shown below

Items of Expenditure	Cost per month
For instruction — Two more teachers at 15 Rs & 10 Rs per month	25
School books &c &c and additional pay to servants	5 -
Rent for sleeping rooms now building & which will cost more than Rs 1000	10
Food & clothing for 75 Famine Girls	40
Total	80

Against the above sum of Rs 80, the whole of which is to be borne by Government, the Mission promise to extend their premises at a cost

as stated in Mr Hodson's
first letter, of Rs 929,
or, as stated in his second
letter, of more than
Rs 1000, and superintended

4 The Rev Mr Hodson
states that the Orphanage
hath 25 Girls, cost last
Year Rs 1200, and if the
Number be raised to
100, the total cost for
the next 12 months,
will be Rs 3420-0-0
If the Government
Treasury were in a better
state, Mr Hodson observes
that he would have
asked, not for a transfer,
but for an additional
grant of Rs 80 per month

5 The Director thinks that, strictly speaking, the inclusion of charges for board and clothing is not admissible in calculating the amount of Educational Grants to be given, but as the present application is of an exceptional character, Mr Rice submits the case for the Chief Commissioner's orders

6 As the application is merely for a transfer of the grant-in-aid already in existence, it may be sanctioned, I think

The Director of Public Instruction

The Secretary to the Chief Commissioner,

Sir,

I have the honour to forward for the Chief Commissioner's orders an application from the Rev J. Hodson Wesleyan Mission, contained in the marginally noted letters which are enclosed in original.

From Rev J Hodson to D P I dated 14th August 1877
21 " " missing

2 Mr Hodson requests that the grant-in-aid of Rs 80 a month given to the Wesleyan Mission English Girls' School in the Cantonment, and which it has enjoyed from April 1867, may be transferred to the Orphanage for Native Girls on the Mission premises, Fort Road, and added to the grant-in-aid of Rs 20/- a month given to the latter from the 1st of April last, under G O No 3004 - Edn 4 of 23rd June. The object of the proposal to relinquish the grant to the English Girls' School in favour of the Native Orphanage thus raising the sum lately given to the latter to Rs 100 a month, is for the purpose of receiving 75 additional girls, in order, as Mr Hodson states, "to meet the wishes and the co-operation of Government as to Famine children". There is no information in this Office regarding any orders issued on this subject, I am therefore

therefore unable to ~~judge~~ how far the proposal accords with the measures projected by Government

3 But in deciding on the application as one made under the grant in aid rules I have first ascertained that the English Girls School is not to be given up although the grant for that institution is relinquished I have also received from Mr Hodson the data on which the amount applied for on behalf of the Native Girls Orphanage is based From the details in the letter of the 21st instant, it appears that the additional expenditure involved in the admission of 75 more girls, raising the total number to 100, is, for instruction Rs 25, books and servants, Rs 5, and rent Rs 10, or Rs 40 a month, and for board and clothing Rs 40 a month Against this sum of Rs 80, the whole of which is to be borne by Government, the Mission will extend their premises at a cost as stated in the first letter of Rs 920 or as stated in the second letter of more than Rs 1000/- and superintend

4 Strictly speaking, the inclusion of charges for board and clothing is not admissible in calculating the amount of educational grants to be given but the present application seems to be of an exceptional character, and I beg to submit it for the Chief Commissioners orders

I have the honour to be,
Your obedient Servant,

Director of Public Instruction

Enclosure

To

The Honorary Secretary of the
Central Relief Committee

Sir

I have the honor to acknowledge the receipt of an "original letter" and an "Extract" which you kindly forwarded to me. I have read them, and as requested now return them.

In explanation I beg to observe that on a time of great difficulty I begged the Chief Commissioner to transfer the monthly grant of 80 Rs. from the Wesleyan English Girls' school to the Girls' Famine orphanage because we had then a large number of famine girls on our premises without any adequate means of supporting them. The grant of 3 Rupees a month for each child had not then been proposed and the Chief Commissioner kindly complied with my request and granted the transfer as a temporary measure. But circumstances have now changed, and I was about to write to the Director of Public Instruction to request the retransference of the 80 Rupees to the English Girls' school, when your documents reached me, and I make that request now. The girls school cannot be carried on efficiently without this grant. It will reopen on the 15th instant. The teachers will act under the direction of the Revd. A. Rees, the Rector of the English Congregation in the Cantonment

I beg therefore that this grant of 50 Rupees a month may hence forth be drawn by the Revd Dr Rees for the sake of the English Girls School.

I have the honor to be
Sir,
Your obedient Servant
